

## **Terms and Conditions**

### **1. GENERAL:**

a. Any sale of products by CRG Industries, LLC (hereinafter called "Seller") is governed exclusively by these Standard Terms and Conditions of Sale (hereinafter called "Standard Terms") which, unless otherwise agreed by an authorized officer of Seller in writing, shall be a part of the sales contract and shall supersede any inconsistent terms on Buyer's purchase order or any other document provided by or on behalf of Buyer. Buyer's (1) signature on Seller's order confirmation form, or (2) failure to object to these Standard Terms in Seller's proposal or order confirmation form within fourteen (14) days of the date thereof, or (3) acceptance of Seller's products or services shall constitute Buyer's acceptance of these Standard Terms.

b. Any order placed with Seller must be in the form of a written purchase order or a letter from Buyer authorizing Seller to proceed on the basis of its proposal to Buyer ("Authorization Letter"). All proposals, quotations, bids or other similar communications from Seller will be considered invitations to Buyer to submit an offer to contract, subject to these Standard Terms and Conditions only, in the form of a written purchase order. A binding sales contract, which shall in all events be subject to these Standard Terms and Conditions, will result when Seller accepts Buyer's order, represented by its purchase order or its Authorization Letter, at Seller's office in Dayton, Ohio (or other office designated by Seller) by mailing its order acknowledgment to Buyer. No terms or conditions contained in Buyer's written purchase order, Authorization Letter or other documents, which contradict or conflict with, or add to, these Standard Terms and Conditions or Seller's order acknowledgment are binding upon Seller unless specifically agreed to in writing by an authorized officer of Seller, and without such specific written agreement, Seller hereby rejects all such contradictory and additional terms and conditions proposed or provided by Buyer.

### **2. WARRANTY AND REMEDIES:**

a. The warranty contained in this section is exclusive and in lieu of all other representations and warranties, expressed or implied, and CRG Industries, LLC expressly disclaims and excludes any implied warranty of merchantability or implied warranty of fitness for a particular purpose. Any and all statements, technical information, and recommendations provided by Seller to Buyer are based on tests believed to be reliable at the time of purchase, but the accuracy or completeness thereof is not guaranteed. Before using, Buyer shall determine the suitability of the product for its intended use and Buyer assumes all risk and liability whatsoever in connection therewith.

b. Specific components of Seller's products and/or systems may be covered by independent warranties of their respective manufacturers, which manufacturers' warranties control with respect to these separate component parts and do not constitute obligations or warranties of Seller.

c. **THE WARRANTIES STATED IN THIS PARAGRAPH 2 ARE EXCLUSIVE IN LIEU OF, AND SELLER HEREBY DISCLAIMS, AND THERE SHALL BE EXCLUDED FROM THE RELATIONSHIP BETWEEN BUYER AND SELLER, ALL OTHER GUARANTEES, WARRANTIES, CONDITIONS OR REPRESENTATIONS, EITHER EXPRESS OR IMPLIED, WHETHER ARISING UNDER STATUTE, COMMON LAW, COMMERCIAL USAGE OR OTHERWISE, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

d. Under no circumstances whatsoever shall Seller be liable to any person, firm or corporation for any special, indirect or consequential damages in any way arising out of the sale of any products or services by Seller to Buyer or any transaction to which these Standard Terms and Conditions apply. The liability of Seller and the exclusive remedy of Buyer for any defect or breach or for any action relating to the sale of any products or services by Seller to Buyer, whether based in contract, negligence, strict liability, tort, breach of warranty, or otherwise, is limited, at Seller's option, to repair or replacement of the defective goods or services or refund of the purchase price therefore. The foregoing shall constitute the sole and exclusive liability of Seller and the sole and exclusive remedy of Buyer or anyone claiming on behalf of or through Buyer.

e. Any Buyer-supplied product, parts, subassembly, or service (herein called "Materials") shall be provided at no charge to Seller unless otherwise agreed to in writing. The Seller shall take reasonable measures to incorporate Buyer-supplied Materials into Seller's product. At no time is Seller responsible for damage to Buyer-supplied Materials unless agreed to in writing. Performance of Buyer-supplied Materials may be covered by independent warranties of their respective manufactures, which manufacturers' warranties control with respect to these separate component parts and do not constitute obligations or warranties of Seller.

3. DRAWINGS: All illustrations, drawings, tables, graphs and the like issued by Seller or contained in Seller's catalogues, price lists, advertisements or any other publications must be regarded as close approximations only. Weights, measurements, capacities and all other particulars of products offered by Seller are stated in good faith as being approximate and no responsibility is accepted for their deviation from the approximations stated unless otherwise specified in writing in Seller's proposal or order acknowledgment. In turnkey systems provided by the Seller, Seller warrants that the proposed products will perform the tasks outlined in the proposal based on the Buyer's data referenced in the proposal.

4. SHIPMENT, DELIVERY, FORCE MAJEURE, PROPOSALS, ACCEPTANCE AND ERROR:

Seller shall not be liable to pay any penalty for a delay in shipment, nor shall it be bound by any provision for the payment of a penalty of any nature whatsoever claimed by reason of any delay in shipment unless it has expressly consented to such penalty provision in a writing executed by Seller.

b. In no event shall Seller be liable for any delay or damages (consequential or otherwise) caused by delay in shipment due especially, but not exclusively, to force majeure and other causes beyond its reasonable control. The term force majeure shall include, but is not limited to, acts of God, war, acts of terrorism, blockade, civil disturbances, labor strikes and lockouts, labor shortages, fire and other casualties, epidemics, quarantine restrictions, freight embargoes, accidents and governmental acts (including regulations concerning export and import licensing and currency exchange). After the expiration of the initial up to thirty (30) day period, the applicable prices are those in effect at the time an order is placed with Seller by the Buyer. The Seller will provide any price changes to Buyer for incorporation into a revised order prior to acceptance by Seller. Any reference to E.X.W. or other delivery terms shall, unless otherwise provided herein, have the same meaning as that ascribed by the International Chamber of Commerce in its current edition of Incoterms.

d. (1) The price quoted by Seller assumes Buyer will accept delivery of the items purchased within fifteen (15) days following the anticipated date of delivery (as the same may be extended by agreement of the parties) and Buyer agrees to take delivery within that time period. If the Buyer refuses to take delivery within the fifteen (15) day period, Seller has the right to charge Buyer for storage at the rate of \$8.00 per square foot per month calculated on a daily basis for each day after the fifteen (15) days that Buyer refuses to accept delivery plus interest charged at Seller's standard rates to compensate Seller for the use of its production floor space beyond anticipated time periods attributable to Buyer's conduct. If the Buyer makes all payments due at contracted time of delivery, Seller, at its discretion, may allow Buyer to have delayed items shipped to a Seller designated warehouse whereby the Buyer will be charged for storage at a rate of \$1.00 per square foot per month calculated on a daily basis for each day shipping is delayed, plus all shipping, handling and interest charges at Seller's standard rates. (2) Unless otherwise agreed to by Seller, Seller will, at Buyer's expense, arrange for the transportation of the products from manufacturing plant or warehouse designated by Seller. e. Clerical errors in any element of a proposal, purchase order or contract are subject to correction by Seller.

5. TERMS OF PAYMENT:

a. Payment shall be made at the time and place specified, and in the currency indicated, on Seller's invoice. When an account becomes past due according to its payment terms, interest will be charged at the greater of 1.50% per month (18% per annum) or the maximum permitted by law until paid.

- c. If delivery and/or payment in installments is quoted by Seller or required by Buyer's order and accepted in writing by Seller, failure of Buyer to make any installment payment when due shall give Seller the right to suspend work or delivery until such payment is made. In the event that any such default by Buyer continues for more than fifteen (15) days after the due date, Seller may at any time thereafter cancel the contract by written notice to Buyer (by mail, overnight delivery, telegraph, or facsimile transmission) and shall be entitled to recover the delivered products which have not been paid for in full in accordance with Seller's security interest granted in paragraph 6 below. In the event Seller suspends work on Buyer's order due to Buyer's failure to make payment at the agreed time, any claim by Buyer against Seller for alleged delay in completion of the work shall be barred.
- d. All taxes, fees, costs, and other charges connected with shipment, transportation insurance and importation of the products are the responsibility of Buyer, and, if paid by Seller, such expenses may be recovered by Seller from Buyer.

10. CHANGES: Buyer, at any time, shall have the right to make changes in the statement of work, work content, quantities, specifications or delivery schedule. Any such change, which has a significant impact, shall entitle either Seller or Buyer to a mutually-agreed equitable adjustment. However, no additional change will be allowed unless authorized by Buyer's written amendment to this Contract. Information, such as technical direction or items provided to Seller by representatives of the Buyer in connection with the Seller's performance of this purchase order, shall not be construed either as a change within the meaning of this provision or as direction to proceed outside the scope of this order.

**14. MISCELLANEOUS:**
